mvcc_ena@yahoo.com or tailwaggin1@mac.com

This provider has been approved by the: California Board of Registered Nurses BRN Provider Number CEP7427

Objectives include discussing and identifying:

- *Learn how and what ETCO2 measures and represents.
- *Learn indications for use of ETCO2 beyond codes & ROSC.
- *Equipment differences for Sidestream vs Mainstream
- *Beyond Tube Placement, what ETCO2 can help you identify.
